to me

Hi Denny – I'm not sure if I ever got a signed copy. Please see attached email you sent, I think you were out of town and didn't have access to a computer.

Thanks,

I just realized the signed invoice I just sent to you was from the work done on the boiler in February. I have not found a signed copy from the work done in January so have now contacted Rasmussens to see if they have a signed copy of that invoice for the January work. I will keep you updated as the person I spoke with at Rasmussens didn't think there was a signed copy (and I don't believe there was either), but was going to look once they got back to the office.

Superintendent Olhausen,

Was the proposal from Rasmussen ever signed? If so, could you send that over as well?

Thank you,
